

SMARTBAR

# ARB FRONTIER PORTABLE RANGE

PRODUCT SPECIFICATIONS

The ARB Frontier portable range is designed for function.

Conveniently carry 28 litres of potable water in the ARB Frontier Wash Station with the incorporated dispenser bottle for your hand sanitiser, soaps or sunscreen. Perfect for drinking water or washing hands on the work site or the campsite.

If additional diesel is what you need, the heavy-duty 30L ARB Frontier Diesel Tank mounts safely and within the voids underneath a utility tray. Featuring a quick pour nozzle and large grab handle, transporting diesel has never been simpler.

Symmetrically designed to mount underneath your utility/flatbed tray behind or in front of the wheels. The portable range is manufactured in Australia utilising high-quality UV stabilised polymer. Engineered to withstand frequent use and made to last, the ARB Frontier portable range is the smarter, safer and most convenient choice for your portable water and diesel storage.

**Tank Weight:**  
Empty - 4kg (8.8lb)  
Filled with diesel -  
34kg (73.9lb)

**Volume:**  
30L (8 gal)

- For vehicle mounting, Quick-Release bracket is required (*sold seperately*)

## Mounting Brackets

The below brackets are compatible with the ARB Frontier Portable Tank range.  
(Diesel tank is only to be mounted with the Quick-Release Bracket)

### Quick Release Bracket

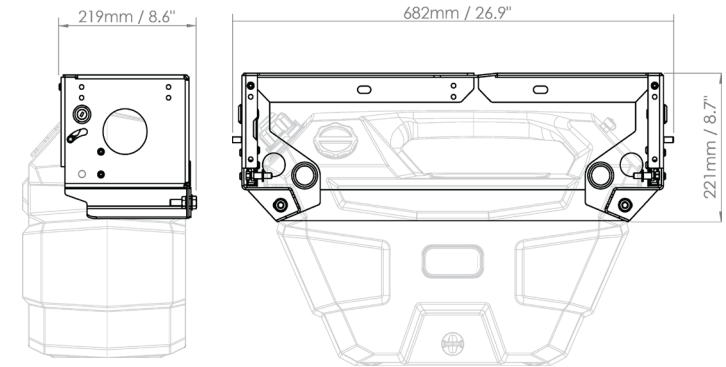

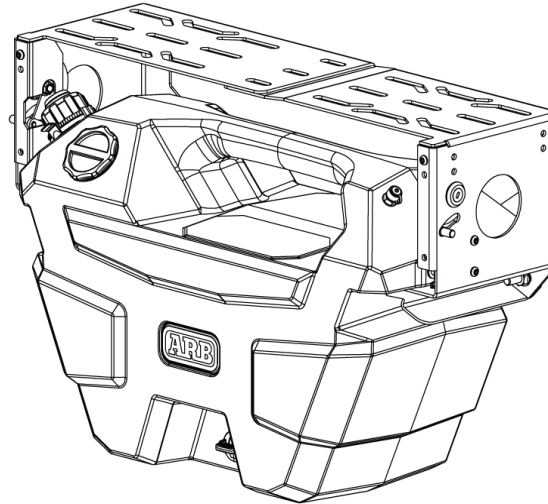

WT002BK

Suitable for cab-chassis, tray-top and service-body vehicles.

For quick attachment and removal of the ARB Frontier Portable Tanks.

Bracket allows mounting under the tray behind or in front of the rear wheels. Symmetrical design for mounting on either side of the vehicle.

*Suitable for both the ARB Frontier Wash Station or ARB Frontier Diesel Tank.*

### Fixed Bracket

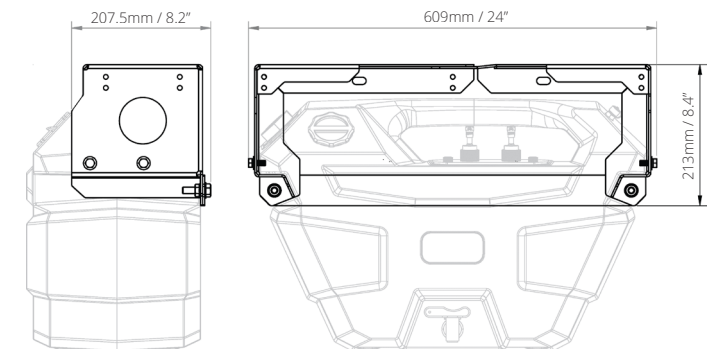

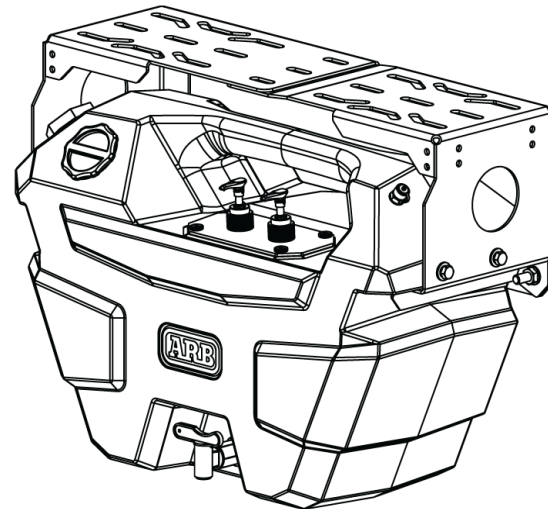

WT001BK

Suitable for cab-chassis, tray-top and service-body vehicles.

For a permanent fixture of the ARB Frontier Portable Tank to the vehicle.

Bracket allows mounting under the tray behind or in front of the rear wheels. Symmetrical design for mounting on either side of the vehicle.

*Only to be used with the ARB Frontier Wash Station.*

## Fast Pouring Nozzle Attachment (WT001PK)

Fast pouring nozzle kit is available for the ARB Frontier Wash Station. Including a child lock mechanism for extra safety.

*Diesel Tank comes standard with Fast Pouring Nozzle which is stored inside the tank.*

**Note: AUTO SHUT VALVE**  
will disengage when pushed  
against any filler necks.

**Please note:**

- <sup>1</sup> Diesel Tank can only be fitted to a quick release bracket.
- <sup>2</sup> WT001PK includes the thread to fit the Wash Station.
- <sup>3</sup> Diesel Tank comes standard with its own pouring nozzle kit. See spare parts for part number.
- <sup>4</sup> For Wash Station only. Pump/Lids are also available individually as a spare part.
- <sup>5</sup> Only necessary for Diesel Tank, as Wash Station has a tap.
- <sup>6</sup> Water tap is only Wash Station compatible.
